

Tile Art

Make a fun and fabulous piece of art by turning a piece of tile into a work of art.

SUPPLIES:

***Saltillo Tile
Tile primer
Paint
pictures
glue
wire, leather
scissors
paint sponges***

DIRECTIONS:

***1/Using a drill bit safe for masonry drill two holes at top of tile
2/Clean the 12" square Saltillo tile with soap and water, let dry
3/Prime the tile to get it ready to accept the paint. Put a thin coat of primer on with a sponge brush,let dry
4/Paint the tile with a tile paint (which includes most types of paint)
*for added antique look sand some paint away making tile look old and weathered.
5/Take any picture and copy it onto a thin piece of paper, cut it out
6/Using a sponge brush put regular glue on the back of picture, paste it down on tile and then glue being sure to cover entire tile, let dry
7/Put wire or leather thru the hole and hang tile on wall. Or simply put tile on a picture holder and display on counter. Or use tile for a hot plate***

Your tile art is great for a gift idea. And it's easy to make several at a time. When they're finished they end up costing only a few dollars each.
